

Year 6 Summer Term Newsletter

English

In English we will be using all of our writing skills that we have learned this year to write narratives and invitations to our end of year show.

We will also have an opportunity to do some creative writing and carry out some debates where we will showcase our oracy skills.

Maths

This term in maths we will be focusing on securing all Year 6 maths skills. In addition to this, we will apply our maths skills to budgeting and real-life practical problems.

SATs begin 12th May -
15th
You will all be
amazing!!

Reading at Home

Children are expected to read for 10 to 15 minutes to an adult at least 5 times a week. An adult should record on their child's bookmark that they have read and these will be put in a raffle at the end of each week.

Showtime!

This term we are excited to begin our performance of *The Greatest Showman*.

We will all have the opportunity to sing, dance, act and work behind the scenes creating props or having a technical role.

We are so excited for you to come and see us shine!

Alderman's Green

Primary School

Science

This term in Science we will be learning all about living things and their habitats.

We will take part in practical activities and experiments to develop our understanding.

Key vocabulary

Habitat
Microhabitats
Living
Not living
Respiration
Sensitivity
Reproduction
Excretion
Nutrition
Natural
Environment
Omnivores
Carnivores
Herbivores

Uniform

You must wear full uniform every day, this includes black shoes, and school PE kit on PE days.

Attendance

Attendance is important. Please make sure that your child is through the school gates by 8.55am. Any child who is late misses out on important teaching needed for the lesson.
