English

In English, we will be continuing our work using Grammarsaurus. We will start to use our previous knowledge and apply it to our writing.

We will use word mats, colourful semantics and Clicker to help us in our writing.

In Penguins, spellings are sent home every week and children can use Ed Shed at home to practise them.

Maths

This term in Maths we will be continuing our work following White Rose. This term's topics include place value and number.

As Mathematicians, we will be using our iPads to improve our knowledge, using apps such as Number bots and Times Table Rock Stars.

In penguins, we use games to further our mathematical knowledge and Bingo is one of our favourite!
