You Choose by Pippa Goodhart
Non-Fiction about Coventry
The Story of Lady Godiva

Maths

This term in Maths we will be learning to count accurately and we will be recording using pictures and numerals. We will use addition and subtraction symbols and be introduced to comparing numbers using the greater than and less than symbols. We will order numerals using number lines and extend our knowledge beyond ten.

This term we will be exploring our school grounds and immediate local area.

Geography

As Geographers this term we will be learning about the area where we live. We will begin by mapping our route around school. We will learn to recognise places unique to our city of Coventry and the story of Lady Godiva. We will learn what a human and physical feature is and recognise them in our local area and in our city. We will learn which countries make up the United Kingdom, their capital cities and the foods which traditionally might be found there.
