

English

As authors and historians we will be learning how past civilisations were founded and established. We will explore how they lived and thrived. We will write and type non chronological reports to support our learning and retention of information.

Our communication, writing and mark making skills are embedded throughout our curriculum using different methods and mediums to maximise our learning opportunities.

Maths

As mathematicians will be learning about fractions, percentages, time and money.

In addition to focussed sessions, our mathematical learning will also be embedded across all of our topic learning. This ensures we are optimising our learning opportunities in these areas of learning.

Topic Africa

As geographers we will be learning about the continent of Africa. We will be learning about all of the countries in this continent and how their geographical, climate and economic conditions differ across the different regions. We will investigate how cultures live, comparing and contrasting these differing cultural experiences.

As engineers we will be learning how about how mechanisms work and making some simple mechanisms as part of our Design and Technology lessons. We will be continuing to explore 3D printing to see all the ways it is used in our daily lives.

As artists we are going to study modern art to recreate our own original artwork.

Pride

Resilience

Kindness

Responsibility

Collaborate

**Triumph
Learning Trust**

Aspiration - Collaboration - Innovation

Key vocabulary

Continent
Borders
Countries
Atlas
Maps
Contours
Desert
Forest
Biomes
Equator
Globe

As developing neuroscientists we are continuing to learn about our brains and how they work. We will be learning the different parts of our brain and how each part works together to help us to be successful. We will be learning how every brain is different and how we are all unique and see the world differently.

Attendance
Please ensure you report any absence to the main office or using Study Bugs before the start of the school day.

Please use Dojo to communicate with your child's teacher

Please check Class Dojo for PE and Forest School days once timetables are finalised. On PE days the children will need to wear their PE kit to school and wear clothes appropriate for the weather for Forest School including wellies

Uniform

Where possible, please ensure your child wears dark trousers, green sweatshirt and white T-shirt to school.

Our ERB Summer Showcase session will be taking place on Friday 22nd May 1:45 - 2:45 pm families are welcome to attend.
