

Year 2 Summer Term

English

In English, we will be building on our writing skills developed from Grammarsaurus. We will be writing facts about animals as well as creating our own animal stories. We will be focusing on using punctuation accurately, a variety of conjunctions and exciting adjectives in our writing.

Reading at Home

All children are expected to read for 10 to 15 minutes to an adult at least 5 times a week. An adult should record in their reading diaries that they have read with a comment if you wish.

Maths

This term in maths our learning will be:

- *Develop place value knowledge of two digit numbers and learn to flexibly partition numbers through addition and subtraction*
- *Developing our recall of number facts to 10 and 20*
- *Learning our 2, 10 and 5 multiplication facts*
- *We shall be exploring measurement in a number of different ways*

Science

As scientists this term, we will be exploring animals around the world. We have learnt all about the different continents in the world and now we will be looking at different animals that inhabit them. We will learn about how animals are classified, the lifecycles of different animals and how they have adapted over time to their habitats.

This term we are excited to be investigating different animals from different places and immersing ourselves into animal stories.

Our PE days are Monday (2Jay) and Friday (2Swift)

Alderman's Green

Primary School

Homework

Each week your child's key homework will be reading at home for this term. Children should also be regularly practicing their **times tables** (at least 3 times a week) using TT Rockstars. (Passwords will be sent to you via dojo)

Key vocabulary

Mammal
Bird
Reptile
Amphibian
Insect
Fish
Wild
Feathers
Scales
Herbivore
Carnivore
Omnivore
Prey
Habitat
Life cycle

Uniform

You must wear full uniform every day, this includes black shoes, and school PE kit on PE days.

Attendance

Attendance is important. Please make sure that your child is through the school gates by 8.55am. Any child who is late misses out on important teaching needed for the lesson.
