

## Year 3 Summer Term

### English

In English we will be building on our Yr3 skills, by writing instructions narratives and dialogue.

The texts we will be focusing on are:

- How to mummify a dear friend!
- Jumanji

### Reading at Home

All children are expected to read for 10 to 15 minutes to an adult at least 5 times a week. An adult should record on their child's bookmark that they have read.

### Maths

This term in maths, we will be exploring and developing our skills in the following areas:

Shape

Addition and subtraction

Multiplication and division

Time

### Science

As scientists, this half term we will investigate and explore the fascinating world of light and dark! We'll delve into what creates shadows and how light interacts with different objects around us. As we move into the next half term, we'll shift our focus to plants. The children will learn to identify the various parts of plants and research what they need to grow, thrive and pollinate.

This term we are starting our Enterprise project! We will be creating and selling our products around the school every Friday!

Our PE days are Tuesday and Thursday

# Alderman's Green

## Primary School

### Homework

Each week your child will have **spellings** to practice at home. These are also available on EdShed. Children should also be regularly practicing their **times tables** (at least 3 times a week) using TT Rockstars.

### Key vocabulary

Opaque  
Source  
Electric  
Reflection  
Transparent  
Translucent

### Uniform

You must wear full uniform every day, this includes black shoes, and school PE kit on PE days.

### Attendance

Attendance is important. Please make sure that your child is through the school gates by 8.55am. Any child who is late misses out on important teaching needed for the lesson.
