

## Year 4 Summer Term

### English

In English, we are focusing on writing our own narratives. We are learning how to use speech correctly to show what characters are saying and thinking. We are also working hard to build our writing stamina so we can write for longer periods, and we are continuing to improve our handwriting so it is neat and joined.

### Maths

In Maths, we are continuing to practise our times tables to help us become quicker and more confident. We are also learning new topics from the Year 4 curriculum, including decimals, money, time and shape. We are developing our reasoning and problem-solving skills so we can explain our thinking clearly.

We have our MTC tests coming up this term! It's important we practise our times tables at home!

### Reading at Home

We are expected to read for 10 to 15 minutes to an adult at least 5 times a week. An adult should sign our bookmark to show that we have read and these will be put in a raffle at the end of each week.

## Primary School

### Science

In Science, we are learning about the digestive system and how our bodies process food. We will also explore electrical circuits and learn how they work. Later in the term, we will study animals, including vertebrates and invertebrates, and how they are classified.

### Key vocabulary

Dialogue  
Narrative  
Multiple  
Factor  
Decimal  
Fraction  
Half  
Quarter  
Equivalent  
Digestive system  
Vertebrate  
Invertebrate

### Swimming

We will have swimming this term. More information will be sent out nearer the time so keep an eye on Class Dojo and email.

### Attendance

Attendance is important. Please make sure that your child is through the school gates by 8.55am. Any child who is late misses out on important teaching needed for the lesson.
