

Year 6 Summer Term

English

In English we will be using all of our writing skills that we have learned this year to write narratives and invitations to our end of year show.

We will also have an opportunity to do some creative writing and carry out some debates where we will showcase our oracy skills.

Maths

This term in maths we will be focusing on securing all Year 6 maths skills. In addition to this, we will apply our maths skills to budgeting and real-life practical problems.

SATs

11th - 14th May!

You will all be amazing!!

Reading at Home

Children are expected to read for 10 to 15 minutes to an adult at least 5 times a week. An adult should record on their child's bookmark that they have read and these will be put in a raffle at the end of each week.

Showtime!

This term we are excited to begin our end-of-year performance soon (TBA!) We will all have the opportunity to sing, dance, act and work behind the scenes creating props or having a technical role. We are so excited for you to come and see us shine!

Primary School

Homework

Each week your child will have maths and English homework to complete.

Please ensure it is completed and handed in on the due date.

Any questions please contact the child's teacher!

Key vocabulary

Circulatory

System

Heart

Blood

Veins

Arteries

Capillaries

Organs

Vessel

Cell

Uniform

You must wear full uniform every day, this includes black shoes, and school PE kit on PE days (Monday + Friday)

Attendance

Attendance is important. Please make sure that your child is through the school gates by 8.55am. Any child who is late misses out on important teaching needed for the lesson.
